HOW TO MEASURE

BUST

Measure around the fullest part of the bust

WAIST

Measure around the smallest part of the waist

HIPS

Measure around the fullest part of the hips with feet planted together

GIRTH

Start at the high point of the shoulder, pass in front of the body between the legs, and back up to the same shoulder

BEST FIT TIPS

- Wear fitted attire when measuring.
- Stand with feet together and maintain good posture.
- Keep the tape close to the body without pulling too tight.
- Girth is the most important measurement for one-piece costumes.
- Child XL (CXL) and Adult XS (AXS) are separate sizes. JoyRox sizing follows a continuous progression from CS through AXL.
